IS THE MONEY YOU PAY IN RENT WASTED?

Not at Austin's. We realize that for most people, renting an instrument is simply a temporary situation. If you decide to purchase an instrument, 100% of your rental equity may be applied up to 30% of the retail value of ANY instrument offered at Austin's, up to 20% of the value of any case, and up to 10% of the value of any bow. Rental equity NEVER expires. Instruments, bows and cases may be traded in for larger sizes, or for pieces of higher value. This means the player can improve the quality of their equipment as their skill improves.

Here is an example of how this works:
You have \$800.00 of rental equity available.

INSTRUMENT	\$2,000.00
Applied Equity (30% of Instrument Price)	-\$600.00
CASE	\$300.00
Applied Equity (20% of Case Price)	-\$60.00
BOW	\$500.00
Applied Equity (10% of Bow Price)	-\$50.00
SUB TOTAL	\$2,800.00
Equity SUB TOTAL	-\$710.00
TOTAL owed	\$2,090.00 + tax
Equity Remaining	\$90.00
